Subject: RE: Mission Assignment Language for HQ EOC

We do not have the funds to pay for HQ EOC on our activation mission assignment, and the regional FEMA people do not believe it would be appropriate to put them on it now... they feel the HQ EOC people, if we believe they are directly supporting our field activities, would be on our DFA mission assignment... just like the people in our REOC are charging to that MA...

With Regards, Steve

Good morning Craig – Attached are the R2 mission assignments where they have successfully added HQ EOC work. The first attachment is for Irma, the

other two are from Superstorm Sandy.
